## SPECTATOR/ATHLETE GUIDELINES FOR SACRED HEART SCHOOL EVENTS

### Sacred Heart Student Athletes

1. At this time, masking is necessary for indoor programs: Volleyball and Basketball. When students are not actively participating, masks should be worn.
2. Per federal order masks are required in transit to or from games or school events.
3. At this time, it is not necessary to screen every athlete daily. Each coach has been provided with a thermometer, students not feeling well should be screened and sent home if they have a fever or symptoms of COVID. Per the CDC recommendations anything that registers at 100.4 or higher is considered a temperature. If a temperature is registered as high, administration will be notified.

### Sacred Heart and Visiting Spectators

1. Given the current status masking is necessary when attending events at Sacred Heart School and social distancing at 3 feet apart.

### Ticketing System

1. For the 21-22 athletic seasons there will be no spectator limitations in place.

### Away Games

### Season Passes
