

FLL

First Lego League

Sacred Heart School FLL

Application Form September – April 2022-2023

Sacred Heart Elementary and Junior High School (4th - 8th Grade) is taking applications for the Lego League for the 2022/2023 challenge **FIRST® LEGO® League SUPERPOWEREDSM**. The league will meet on Wednesdays and Thursdays from 3:15 to 4:45 pm at Sacred Heart School.

FLL introduces younger students to real-world engineering challenges by building LEGO-based robots to complete tasks on a thematic playing surface. FLL teams, guided by their imaginations and their coach will discover exciting career possibilities and, through the process, learn to make positive contributions to society. Students get to:

- Design, build, test and program robots using LEGO MINDSTORMS technology
- Research challenge facing today's scientists
- Learn critical thinking, team-building and presentation skills
- Participate in tournaments and celebrations

FLL teams have fun, it's exciting and the skills they learn will last a lifetime!
