

SACRED HEART ACTIVE PARENTS CLUB

Please accept this invitation to advertise the Sacred Heart sports programs.

All the money raised provides funding for the science department, the art department, and a variety of teacher requests. During the 2024-25 school year, APC provided funding for new whiteboards, playground equipment, paid entry fees for spelling and math team contests, Mystery Science, FIRST Lego League membership, Totus Tuus, Family Consumer Sciences, pottery wheels, music department needs and many other necessities for our classrooms, faculty and students. All departments - academics, athletics, arts and extra-curricular activities benefit from the efforts of APC.

Please advertise with us today! With a one-time payment, your ad is featured in BOTH the fall and winter sports programs. Please contact us with any questions.

Sales person: Lacy Judd 660-221-7119

Attached is an example page from a previous program.

Please submit this form by mail or by emailing apc@gogremlins.com
