

SACRED HEART STUDENT ATHLETE CONCESSION STAND REQUIREMENT

The Sacred Heart Booster Club provides uniforms, protective gear, equipment, and various other needs for all the SHS athletic teams.

In an effort to give back to the SH Booster Club, each student-athlete (and/or parent) is required to work two (2) shifts in the Booster Club Concession Stand for each sport the athlete plays. If the student and/or parent choose NOT to work the two (2) shifts in the Concession Stand, my FACTS account will be charged a \$100 opt-out fee.

I understand this requirement is for EACH sport the student plays..... **Fall** (soccer, volleyball, cross country, girls golf), **Winter** (basketball, cheer, swim), or **Spring** (baseball, softball, track, boys golf). It is also for **EACH** student (6-12 grade) that participates in a Sacred Heart sport.

I understand that if the Concession Stand requirement is not met, my FACTS account will be charged \$100 for **EACH** sport my child plays.

There are many other opportunities to volunteer with the Booster Club that do not include working in the Concession Stand and can be worked out with the Booster Club President on an individual basis.

The link to sign up for a Concession Stand shift will be provided in The Beat emails sent out by school.

You can also contact the Booster Club President: Megan Page (660) 619-4348
