Additional Guidelines for Shifts:

- An **adult must accompany students in grades 6–9** during their shift.
- All volunteers must arrive **at least 15 minutes before** the scheduled shift start time.
- **Late arrivals (5 minutes or more past start time)** will be required to work an **additional shift**.
- **Missed shifts** will result in a **\$125 charge** to the Family's FACTS account.
- Families are encouraged to **find a replacement** if they are unable to attend a scheduled shift. The replacement's hours may count toward either family's obligation.
- Spring sports need to complete their shifts during fall and winter activities. We have minimal opportunities during the spring.
